## Is medical coverage on your syllabus?

Nobody wants to deal with unexpected medical costs while they're studying abroad, in another Canadian province or territory, or even if you're a non-Canadian studying in Canada. Especially with a tight student budget. But **Manulife Travel Insurance for Students** can give you up to \$2 million in benefits to help cover those costs, so you can focus on what matters most: your studies.

This plan can also include:

-  **Tuition reimbursement** (up to \$5,000 per semester) if you can't complete your studies due to an unexpected medical emergency.
-  **Coverage for non-emergency costs** for annual medical exams and eye exams.
-  **Accidental Death and Dismemberment benefits** of up to \$10,000 at no additional cost.

You can also purchase coverage for your spouse and children.
