

SUMMER ENRICHMENT CAMP 2024

The UNISUS Summer Camp enables participants to learn and have fun, while creating an unforgettable experience and making life-long friendships with participants from all over the world.

Participants will be able to join technology & entrepreneurship classes and create their own product, which they will be able to take home in a digital portfolio that can be used towards future education and internships.

For those who are looking to improve their English skills, an English Language Learning module is available for participants to choose instead of the technology & entrepreneurship modules

Future Global Leaders:

- 3D Design
- Videogame Design
- Entrepreneurship

English Language Learning:

- Improve English skills
- Current Global topics
- Native Speaker Teachers

Outdoor Activities

Throughout each week of camp woven into the choice of ELL or FGL modules, students will embark on outdoor adventures, immersing themselves in the natural beauty and excitement that the Okanagan has to offer

Participants will be able to join half day and full day excursions with different activities, which ensures a well-rounded and culturally rich experience

Outdoor Activities

Kayaking

Rock Climbing

Outdoor Activities

River Channel Float

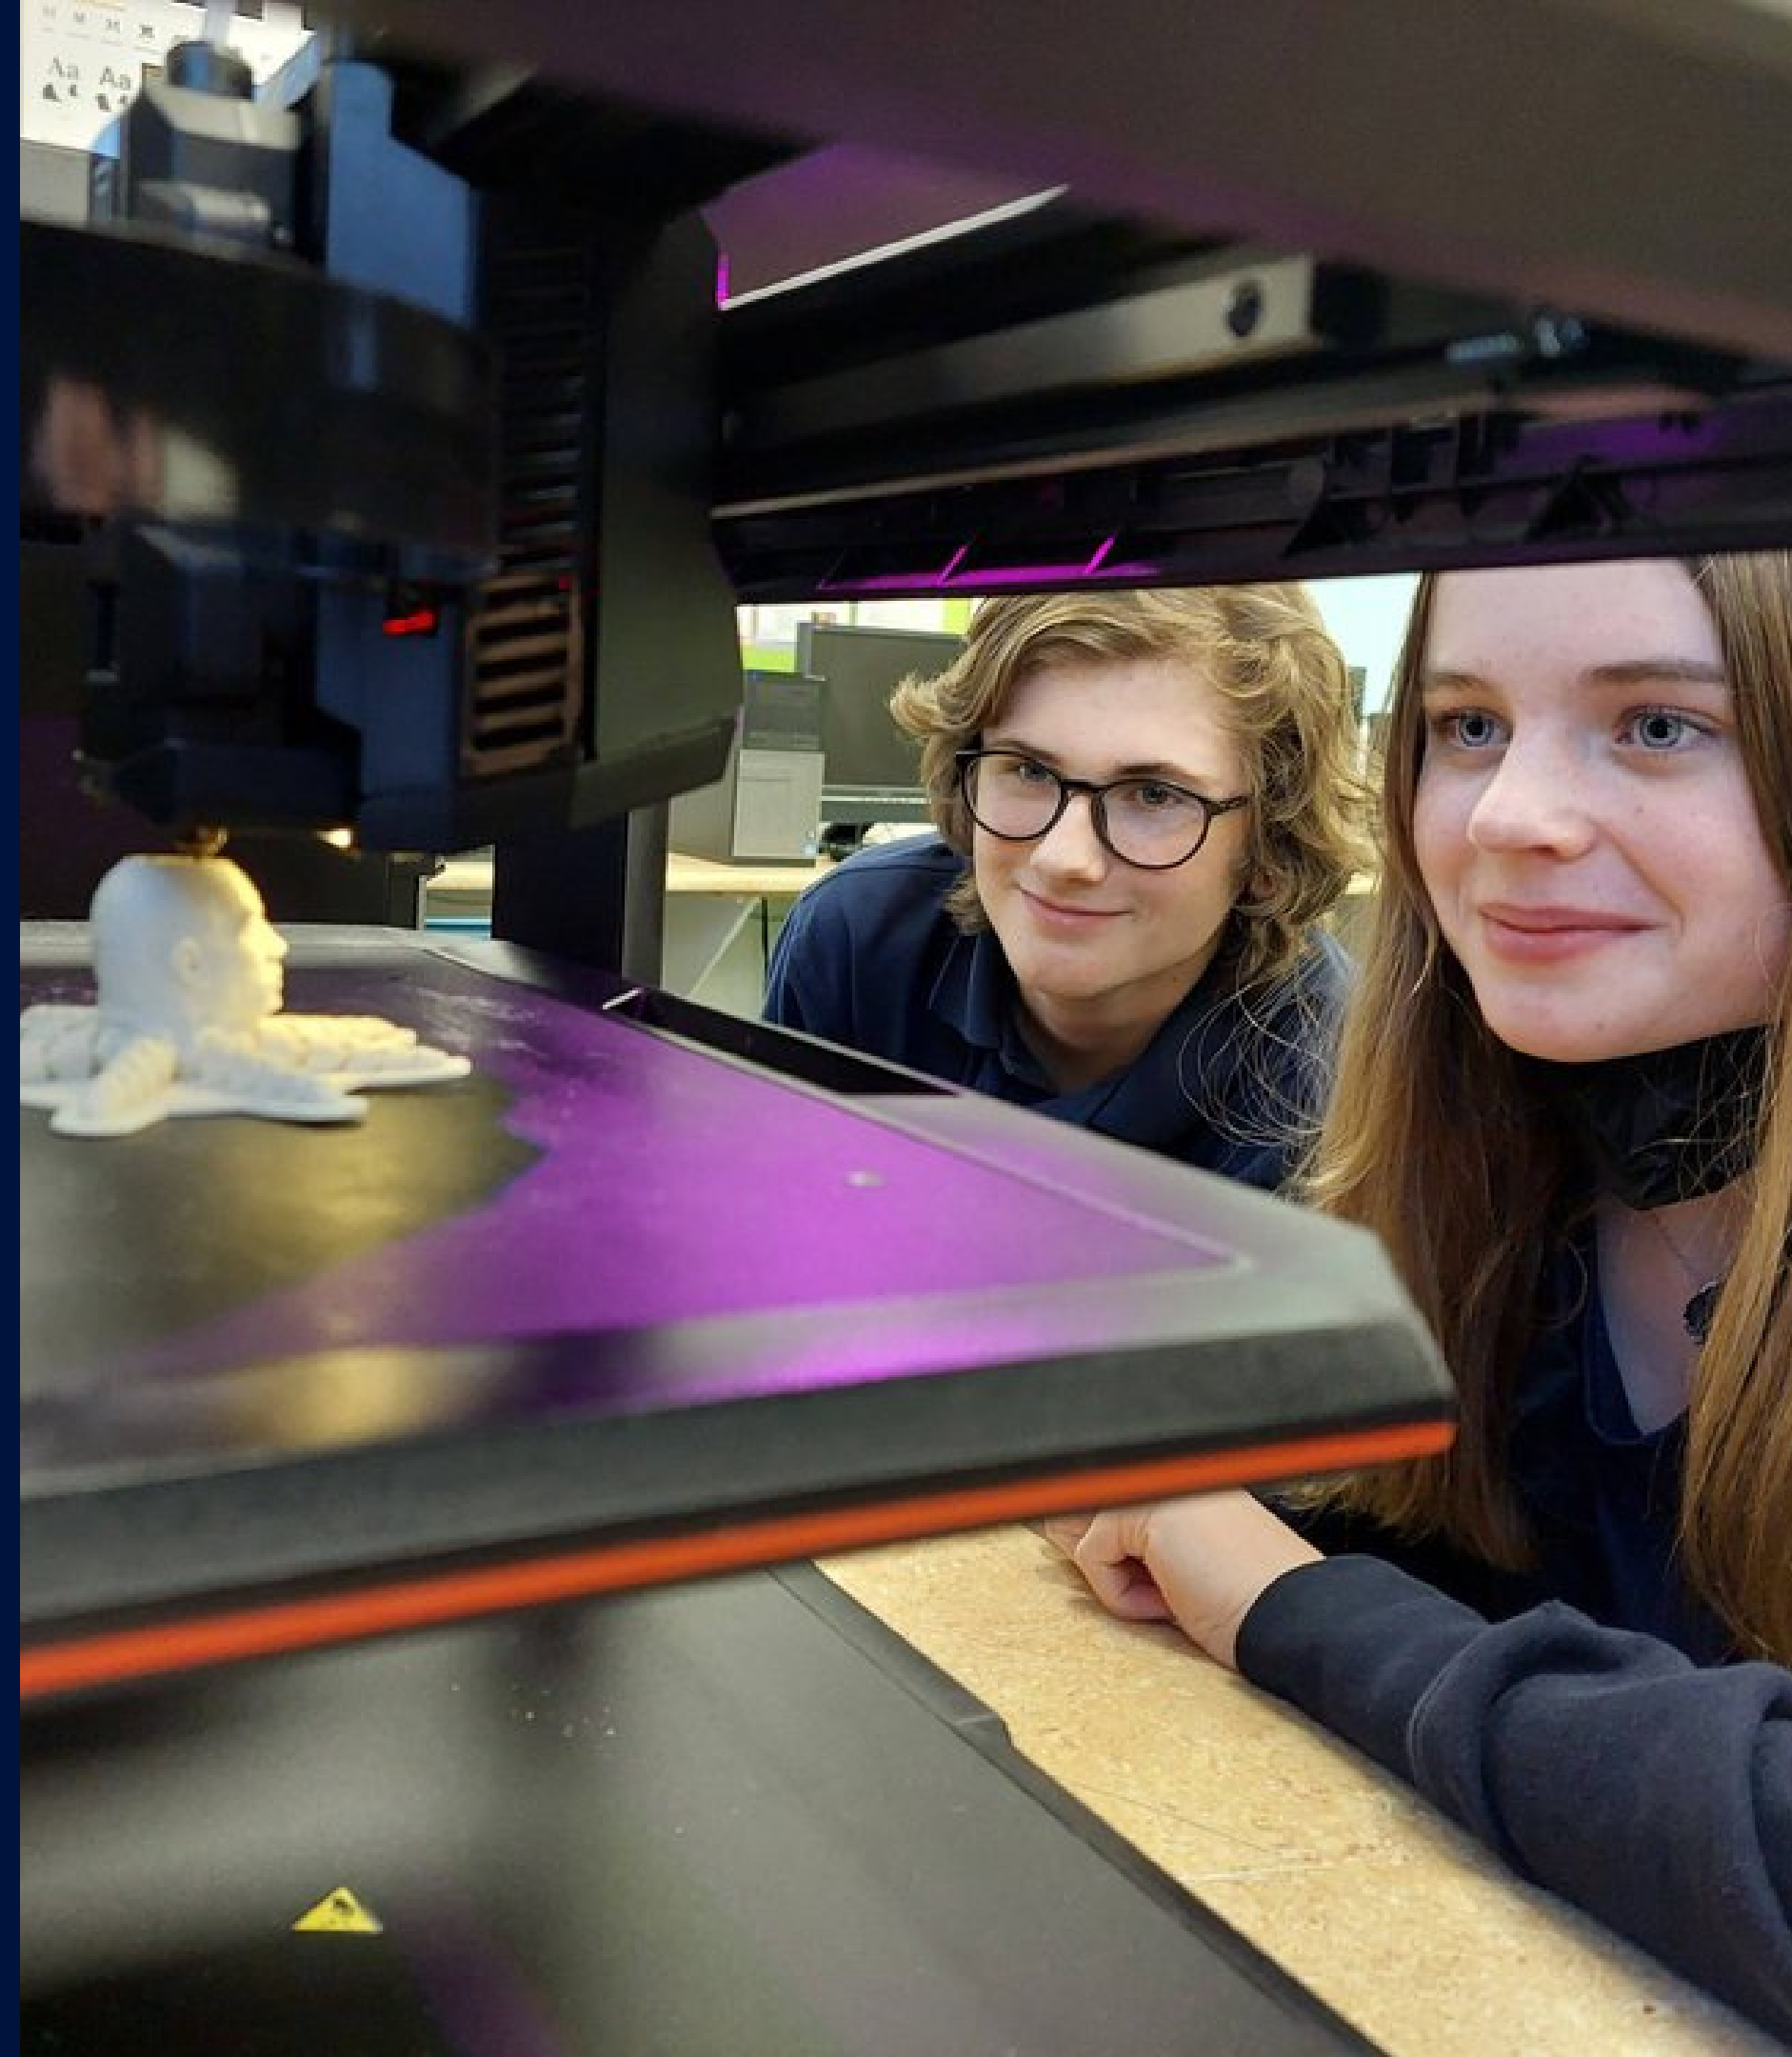

Go Kart

Create Your Personalized Program

The programs are designed to be customizable to meet individual group preference.

Choose modules from the FGL and ELL programs to create your customized 2-4 week stay:

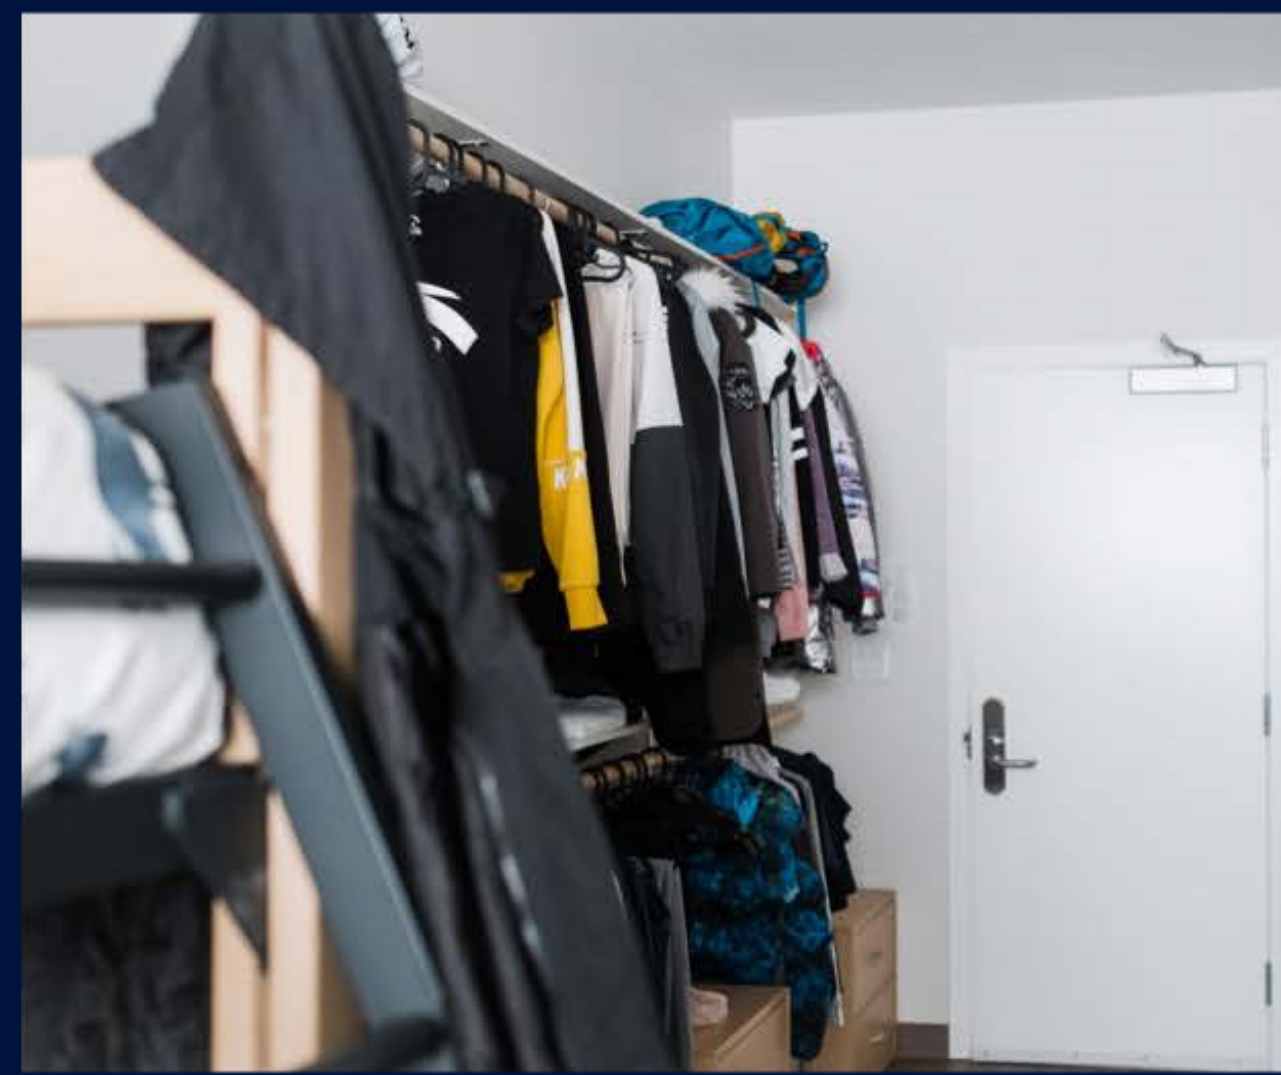

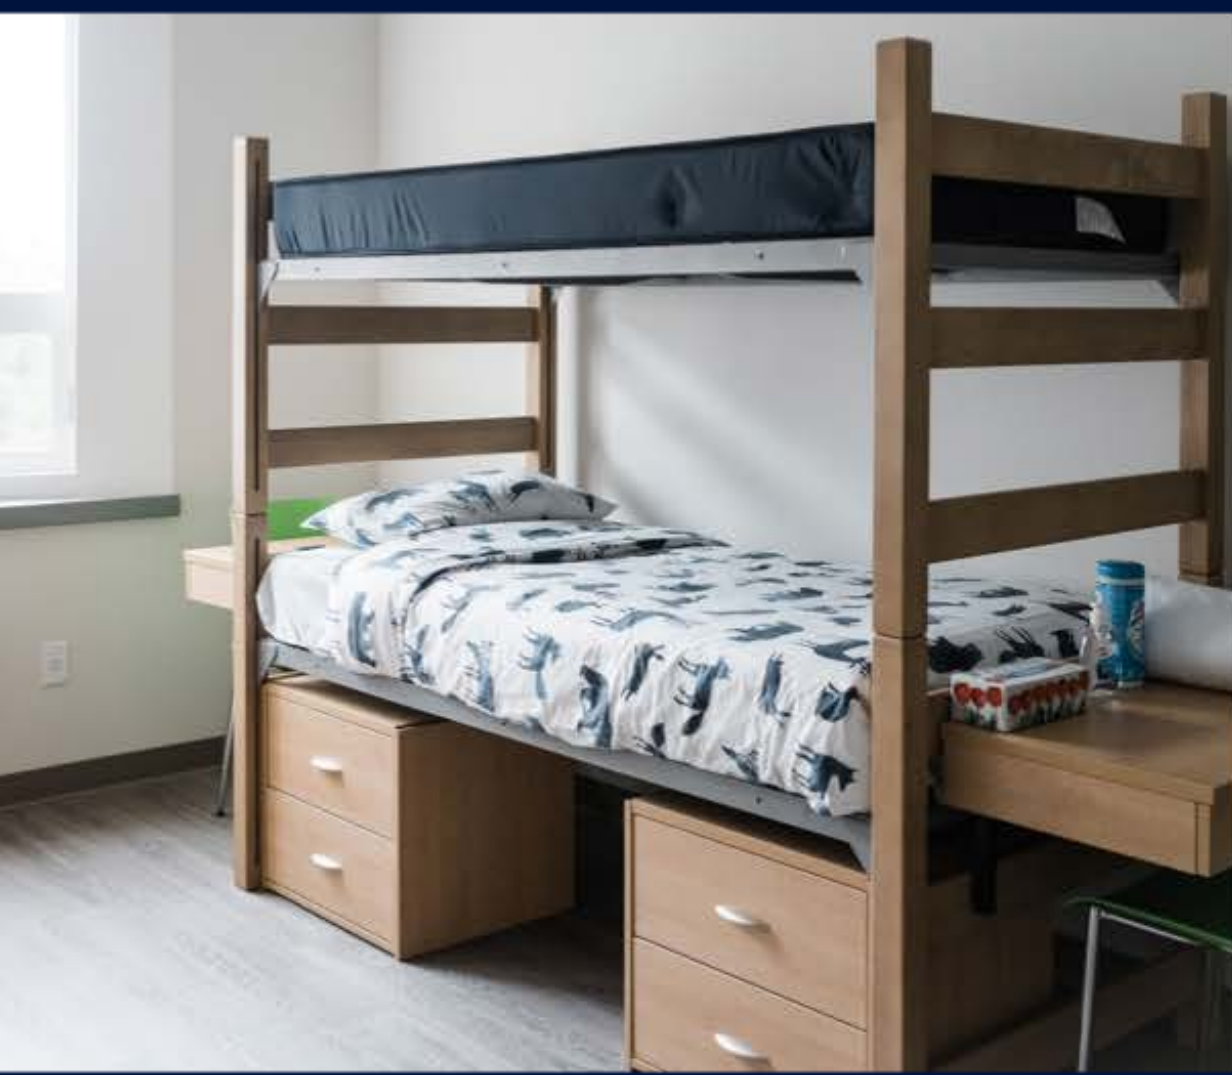

- Select how many weeks you would like to be at UNISUS' Camp (2 or 4 weeks)
- Decide on your start date: July 8, 2024 or July 22, 2024
- Identify the modules you would prefer to enroll and engage in: English Language Learner, or Future Global Leader
- Get ready for an unforgettable summer experience!
